Orville K. Wood.

To the Editor of *The N. Y. Tribune*.
SIR: The undersigned, citizens of Clinton County, N. Y., having observed in certain New-York papers, reflections upon the character of our fellow citizen, Orville K. Wood, esq., of Chazy, in this county, with the view doubtless of discrediting him where he is not known, and thus impairing his testimony in the late exposure of election frauds at Baltimore, deem it proper to certify, that we have known Mr. Wood from his boyhood; that he is a Christian gentleman whose character for truth, honor and morality is, and always has been, above suspicion; that though still a young man, and never seeking political preferment, he has been repeatedly elected Supervisor of his town; that he is a leading member of the firm of V. A. Wood & Co., of Chazy, merchants and flour and lumber manufacturers, and also of the firm of Woods, Palmer & Co., iron manufacturers, of the adjoining town of Moers. Mr. Wood is well-known to some of the leading merchants of Troy, Albany, New-York, Boston and Philadelphia, with whom he has business relations, among whom we may mention Ralph Mead & Co., S. B. Chittenden & Co., of New York; Bishop & Trowbridge of Albany; Squires, Sherry & Galusha of Troy, and A. C. Derbin & Co., of Jersey City. These gentlemen, whatever may be their politics, will not hesitate to endorse our statement of Mr. Wood's character.

W. P. MORRIS, County Treasurer; M. CHAMBERS, County Clerk; J. J. DRAVEN, County Treasurer; A. J. LADURÉ, Ex-Sheriff and new Quartermaster 10th N. Y. Cavalry; W. H. PALMER, late M. C. M. K. BELFILER, owner of P. & M. J. M. NOYES, President Merchantile Bank; ROBERT BAILEY, Cashier Iron Bank; P. E. BALLOU, President Iron Bank; M. SOWLE, Cashier Mercantile Bank, Plattsburgh; C. E. Noyes, Esq., of Plattsburgh, Clinton Co., N. Y., Nov. 1, 1864.

Turkeys and Thanksgiving.

Collector Draper has allowed the use of one of the public stores to receive the packages of turkeys and other good things for the soldiers and sailors on the James. All articles sent must be cooked, the turkeys wrapped in white paper and packed in straw in boxes or barrels, marked "Our Defenders, City Point," and sent to Getty's store, in the rear of Trinity Church, Trinity Place, from the 17th to the 20th, no later. What with our standing up by our brave boys at the polls and remembering them on Thanksgiving, I think they will hit the Rebels a harder blow than ever. Will the local newspapers please keep this before the people until the 20th. If Johnny Nook did try best why should I not try turkey?

COPPERHEAD CONSPIRACY TO FIRE THE CITY.—The following telegraphic correspondence between the Secretary of State and His Honor the Mayor, in reference to an apprehended conspiracy to fire the city on the day of election, is published:

WASHINGTON, Wednesday, Nov. 2, 1864.

To the Mayor of the City of New-York.
This Department has received information from the British Provinces to the effect that there is a conspiracy on foot to set fire to the public buildings in New-York on the day of the Presidential election. It is my duty to communicate this information to you.

W. H. SEWARD.

You do well to receive. I have no fears of such threats being carried out or even attempted. However, I shall take all necessary measures, and am already prepared. Should any Federal assistance be necessary I shall invoke the same.

C. GOVERNEUR GUNTER, Major.

HALE'S HONEY OF HOARHOUND AND TAR,

For the Cure of

Coughs, Colds, Inflammation, Hoarseness, Difficult Breathing, and all Affections of the Throat, Bronchial Tube, and Lungs, leading to Consumption.

This sovereign remedy is compounded from the famous recipe of an illustrious Physician and Chemist, who for many years used it with the most complete success in his extensive private practice.

He had long been profoundly impressed with the wonderful virtue of the honey of the plant Hoarhound, in union with the CLEANSING and HEALING properties of tar extracted from the LIFE PRINCIPLE of the forest tree, *Abies Balsamea* or Balsam of Gilead. For years he was baffled in his attempts to blend these great medicinal forces into such a union that the original power of each would be preserved, and the disagreeable qualities of common tar removed, and the price of the compound be within the means of all. At last, after a long course of difficult chemical experiments, he found that by adding to these, *five other ingredients*, each one valuable by itself, he not only obtained the desired results, but greatly increased the curative power of the compound. This having been thoroughly tested by practice, is now offered to the general public as a safe, pleasant and infallible remedy.

PRICE 50 CENTS PER BOTTLE.

For sale by all Druggists.
